

Badger Summer Camp

Summer of 2017

Weeks of July 31st – August 3rd and August 7th – August 10th

7:30 – 12:30

Free Breakfast and Lunch

A preview of a camp day:

45 Minute rotations with Niagara staff members that will make learning fun and creative. From Math activities, to reading, and writing time. From science exploration to P.E. and Art. Outside activities that will expand our minds and stretch our legs.

Sessions will begin right after breakfast at 7:30, with the first of five sessions beginning at 8:00. There will be a total of five 45 minute rotations with two intervention times built in. 11:00 – 11:20 will be outdoor fun. Lunch will be served at 11:20 and the last session of the day will begin at 11:45 and end at 12:30. Students will then be dismissed. Any students going to the local daycares? We will shuttle students to the local Niagara daycares as soon as the day is done.

Hope to see you at Badger Day Camp!
