

A Peek at our Month

October Theme of the Month: Fire Safety & Fall

In Reading and Writing

Continuing ABC Bootcamp. Fire safety and Halloween fun will be some topics we are reading about. We are beginning to learn sight words: I, like, no, go, and, the, and you. Wrapping up fall assessments and focusing on phonics goals.

In math

Introduction to the "teens family." We are counting forward and backward within 19. Numeral writing 0-10. Using 10-frames to visualize, subitize, and recognize numerals to 10.

In Science/Social Studies

We will continue to learn about weather, changing of the seasons, and Halloween topics such as nocturnal animals.

Important Reminders

- ~Thursday, October 19th, 2023: Parent-Teacher Conferences 1-7 p.m.
- ~Friday, October 20th, 2023: NO SCHOOL!

At Home Learning Tip

When reading with your child, pause every few pages to ask some questions. Why is this character feeling this way? What do you think will happen next? Asking questions helps you to gauge your child's thought processes and their understanding of the text. This can help with comprehension as they become independent readers.
