Scott Trevillian

Curriculum Coordinator/Counselor
Sherri Petschar

Welcome back to the 2020-21 school year!

We would like to extend a special welcome to all of the new families joining Niagara this year and welcome back all of our returning families as well! Our hope is that all children will LOVE school and nurture a learning environment that is positive, safe, warm, caring, as well as a fun place to learn and grow.

This year has had many challenges. More than ever, your partnership and support are key elements to ensuring that we are able to maximize each student's educational and personal development. Education is a joint venture and we greatly appreciate the support you provide for your children at home and at school to help them meet their learning goals.

Niagara is off to a good start. Things look a little different in academics as well as sports but the positive team atmosphere remains evident. Volleyball and football look to have many positive experiences for students. Academically, students are happily engaging in classes. Although this year looks different than any other year, we are dedicated to providing your child(ren) a memorable, interactive, engaging learning experience.

Sincerely, on behalf of the Administrative team,

Scott Trevillian
