

A Peek at our Month

April Theme: Spring

In Reading and Writing

In writing we are learning to capitalize the first letter of every sentence, put a space in between words, and put a period at the end of the sentence. In reading we are identifying the sequence of events and story characteristics.

In Math

We are learning to write numbers to 30, counting to 100 by 1's, 10's, and 5's, identifying coins and their values, and adding/ subtracting within ten.

In Science/S.S.

Learning about animal habitats, animal survival skills, and life cycles.

Important Reminders

~Friday, April 18th: NO SCHOOL, Good Friday.

~Sunday, May 4th :
Father-Daughter Dance
@ 2 p.m.

~Wednesday, May 7th:
Grandparents Day
Program @ 9 a.m.

~Monday, May 26th: NO SCHOOL, Memorial Day

~Friday, May 30th, 2025:
Last Day of School!!

At Home Learning

The last few weeks of school are upon us. We will be doing an ABC Countdown where we review every letter, letter sound, and how to properly form each letter. Please be on the lookout for our calendar of events: each day will focus on a new letter with an accompanying theme or activity. These fun activities will help your child stay focused as the weather gets nicer. Keep working hard!!
